

“We the People” 4TH OF JULY PARADE 2011 APPLICATION

The July 4th Celebration Committee invites you to participate in our annual parade celebrating our Nation's Independence Day.

The Parade is scheduled for Monday, July 4th, 2011 at 11 AM.

To ensure your entry a spot in the parade, please return your entry form with payment by June 24, 2011 to:

We the People 4th of July Celebration Committee
P.O. Box 532
Boise, ID 83701

\$12.00 for walking groups
\$22.00 for Single Car Entry's
\$32.00 for a non-profit float and multiple vehicle entries.
\$52.00 for a commercial float and multiple vehicle entries.

These fees help pay for the various expenses accrued in putting on the parade including the liability insurance we are required to carry. Additionally, they allow us to provide a cash prize to the winning entries this year's parade.

The 4th of July Celebration Committee has “Preferred Placement” for entrants again this year. For an extra \$10 you can reserve a spot in the top 30 positions.

*Please note that the top 30 positions are on a first come first serve basis.

Reservations have to be made over the phone so, please contact the Parade offices at 208-853-

4439 as soon as you can to save your spot. Your spot will be secured once your payment is received, otherwise it will be released for another entry to fill.

Payment for the entry fee is to be made to the 501(c)3 non-profit organization, “We the People 4th of July Celebration Committee.”

Volunteer Support is needed. Please call the Parade offices at 853-4439 or 890-0086 if you or anyone you know is willing to volunteer during the parade.

Enter the staging area at the corner of 11th and Bannock. Parade entrants will be arranged in the Boise Corp. parking lot between Bannock and Jefferson and along the adjacent streets. Please also note the Boise Police have told us you CANNOT throw

candy from any moving vehicle. You may have walkers in your group HAND it out.

Please carefully read the Parade and Float Rules. The Committee works hard all year to make our parade the best it can be. To accomplish this, we need your cooperation. In the past, entrants' non-compliance with the rules, and the ignoring of parade officials' instructions, has caused difficulties. This reduces the enjoyment of the parade for everyone. To ensure the ongoing success of the parade, we need the spokesperson for each entry to accept the responsibility to see that the parade rules and all instructions from parade officials are followed. Any complaints the committee receives will result in the assessment of penalties, which could mean being banned from future parades. Any fees assessed will be the responsibility of the non-complying entry.

This year's theme is: "Stand for Liberty"

Floats will be judged by a committee according to the way they reflect and express this year's theme. Awards will be given as soon as possible after judging is completed.

A. The Visibility of the driver should not be obstructed so that they can see the front and both sides of the float. A spotter can be used to keep the driver aware of any danger or changes to or on the float.

B. A fire extinguisher should be available in the vehicle and on the float.

C. The float must be securely attached to the towing vehicle. This can be by a standard hitch and ball or by a pintle hook and eye configuration.

1. The hitch and ball must be secure and in good condition. Homemade hitches must be sturdy enough to handle the load and certified by the fabricator.
2. Pintle hook and eye hitches must have locking pins in the hook to assure it is not opening while in use. Each part must be secure and in good repair.
3. Safety chains or cables must be used.
4. Electrical hook-ups, if used, should be checked for continuity, grounding, and condition of the cables.

D. No flammables can be stored in the float, nor can there be any open flames.

E. All rotating and/or spinning parts need to be guarded.

F. The float cannot have any sharp and/or pointed, protruding parts.

G. Riders must be provided secure seating or leaning devices for those standing.

H. Trailer tires should be in good condition and properly inflated to carry the load.

I. Electrical services to or on the float need to be checked for grounding and damage to the wiring. Suggested items to check would include, but not be limited to, lights, action equipment, audio equipment, speakers, etc..

J. The vehicle exhaust should exit out the side and not to the back, where it could affect riders.

K. Nothing can be thrown or dispensed from the float. This includes, but is not limited to, candy, toys, favors, balloons, etc.

L. Float must not exceed 14 feet in height, 20 feet in width, and 60 feet in length.

Self-Propelled Floats

A. All applicable parts for the trailer floats need to be checked for the self-propelled floats.

B. Visibility must be insured for the driver.

C. Make sure spotters/walkers are being used to assist the driver.

Parade Rules

1. PARADE ENTRIES are subject to approval of the Board of Directors. The Board, or its designated Parade Coordinator, may in their discretion reject any entry which it deems incompatible with the theme of our Fourth of July Parade or is unsafe.

2. HORSES AND ANIMALS are not allowed in the Parade unless proof of liability insurance in an acceptable amount is provided to the Board or its designated Parade Coordinator two days prior to the time the Parade starts.

By signing the parade entry form, you and your organization agree to pay \$20 per hour to the Corporation for each hour a person spends picking up any literature attributed to your entry.

5. CANDY cannot be thrown from entries at the request of Boise Police. You can walk along the parade route with your entry and hand out candy.

7. FOLLOW all instructions from parade officials.
